I just want to thank TMG Business Solutions and Jorn's & Associates for doing a great job with our ERC. Everyone at Jorn's was professional, patient, and helpful throughout the process. I wasn't an easy sell. They had to work hard to convince me to even look at the program as I was advised we wouldn't qualify. When I realized we had nothing to lose and EVERYTHING to gain, I agreed to listen. Well, we have received 3 of our 6 checks already and pleasantly surprised at the amounts. I'm sure there are many companies out there that think they don't qualify like we did. My advice, agree to listen.

All the best,
